

## **AUTUMN / WINTER 2009/2010**

### **FINE NATURAL FIBRES**

The winter of 2009/2010 is all about top-quality natural fibres. Body- and legwear made of cashmere, the finest merino wool, silk, Sea Island Cotton, alpaca, baby camel, and vicuña caress the skin and are sumptuous classics for every wardrobe. From long cashmere pullovers to trendy overknees of pure silk and socks made of heavenly soft baby camel. The color palette ranges from chestnut brown to ecru, mocha, flannel grey, and black to pumpkin, indigo, and burgundy. Fogal has been uniting quality and style since 1923.
